to me, Betul, Muna, Rosanna

Hello All,

Here is an update on our event:

1. 21 Alumni registered including Dennis O'Brien, a reminder email will be sent out Monday
2. 8 faculty including Ludwig and Vikas, a reminder email will be sent Monday
3. 14 students, reminder email will be sent Monday
4. Unfortunately it isn't going to work out to have the LinkedIn photos on the Power Point, but we will have all senior names scrolling through
5. Another email will go out to students Monday morning with the deadline to register as Monday evening
6. The award for Dennis was delivered to CEB yesterday, Tiesha looked it over and said it's gorgeous
7. Printed names tags are being made for guests and faculty, we'll have sticky name tags for students
8. Guests/alumni will receive a blue Alumni pin as a gift
9. Food, tables and chairs have been ordered, we have a few tables and some chairs if folks want to sit for a while, otherwise we're set-up for mingling
10. We'll need a few folks to help check-in guests and students, **can AIChE assist with this?**
11. Today I'm creating the looping Power Point

I am assuming that Ludwig is creating his presentation for Dennis?

Who will be our emcee for the evening?

Thanks,
Rose
