

Rose Coppola-Conroy <rcconroy@uic.edu>
to me

Great, we'll just need to be efficient with our meeting.

Rose,

That's fine, I am attending the dinner as well (Student Organization appreciation dinner).

Thanks for the update, I'll look for a location for our next meeting. I do have an engineering dinner that evening here on campus at 5:30pm. I would just need to leave by 5:15pm.

What great news, I'll have to look him up and connect on LinkedIn.

Thanks for sharing.

Did we set a date for the next meeting?

Dear Rose, Joe, Arwa and Jana,

Han Wang is interested in helping out with the UIC ChE linkedin acct. I will give him a call him and I will let you know what our next steps will be to get things rolling.

Regards,

Alan

What a great resource and I found an entry level position (Raytheon) listed. I'm looking into the Silver membership.
