Re: Funding for - Chem E Alumni Industry Event, Oct. 23, 2015

- Purpose of this event is to re-connect with alumni to increase the number of internships and jobs for students, increase the awareness of UIC faculty research, and to provide students an opportunity to gain valuable insights into full-time employment.
- This event is being coordinated between the ECC, Chem E department (Ludwig Nitsche and Prof Zdunek) and AIChE student society.
- Invitations currently being sent out, fifty alumni have been invited as of Aug. 7, 2015.
- Meeting rooms have been reserved in SCE.
- Funds/account numbers need to be secured.

Program Format

Part I: 1:00pm-2:00pm - Two concurrent sessions:

Session I-A: Alumni panel discussion and Q&A format with undergraduate students

Session I-B: UIC Chemical Engineering Faculty & Alumni lunch and networking

Part II: 2:00pm-3:00pm – Alumni and Students:

All attendees will come together for a networking session: alumni, faculty and students

Expenses – all expenses are approximate at this time

Lunch for alumni and faculty (based on UIC catering)	\$700
Snacks/drinks for students (based on UIC catering)	\$300
Parking for alumni (based on 20 participants)	\$200
Swag for Alumni (UIC mugs, certificates of appreciation, pins)	\$200
Total	\$1,400
