Subject: Save-The-Date: UIC Chemical Engineering ChemE Forum April 7th

To: john.poletto@ingredion.com

Dear John Poletto;

Hello and greetings! I want to first thank you for your past involvement with the UIC Chemical Engineering Department. Ingredion's support is most appreciated.

For your information we are planning another great event next month and hope that you can make it:

The First Annual ChemE Forum: Friday April 7th from 1:00pm - 4:00pm.,
followed by a **Chemical Engineering Alumni Mixer from 4:00pm -6:00pm.**

The **ChemE Forum** will encompass several events: **Workshops** on safety and process simulation; a **Panel Discussion** on the "**Future of Nanotechnology in Chemical Engineering**" , a **Department Expo** showcasing our state-of-the-art research and the plans for our new building; lab tours; an **Award Ceremony**, and a **Company Information Session** .

Current Students, Faculty; Alumni, Prospective Students; High School Teachers and Community College Professors, Industry Representatives will be invited to the event.

We are seeking companies interested in participating in the Company Information Session. Please contact me for more information about reserving a table/booth.

A Save-The-Date Flyer for the two events is also attached.

More details and a RSVP form for the event will be coming soon.

Most sincerely,

Alan Zdunek

Dr. Alan D Zdunek
