

1.

The Chemical Engineering Department is proposing to modify the program requirements with the introduction of new courses and several concentrations with the goal of improving and enhancing the BS-degree. Please fill out the brief survey below with your ratings and comments. Your time and consideration is most appreciated!

2. Name

3. Please rate on a scale of 1 to 10 the importance of the proposed concentrations in the following areas:

	Chemical Industry									
	Least Important	2	3	4	5	6	7	8	9	Most Important

7. Would companies be more interested in hiring a student with one of these concentrations, i.e., will our students be more marketable?

- ☐ Yes
- ☐ No

8. Are there other important technology concentrations that we should consider (Check all that apply)

☐
☐

Food Technology

Petroleum and Gas Exploration

☐ Big Data☐ Pharmaceuticals☐ Bio-Sciences☐ Complex Fluids☐ Material Science☐ Biotechnology☐ Molecular Simulation☐ Marketing

9. Please add any comments you have for any of the technology concentrations or any other comments or suggestion you might have
