

CHE 201 Spring 2019 Self-Study Report

Instructor: Betul Bilgin

Course Comments / Plans

I taught this class for the first time in Fall 2018. I improved the course for Spring 2019 and students' comments showed that. Comments in Spring 2019 mentions mostly pace of the class. During summer, I am working on methods to foster entrepreneurial mindset (EM) and prepared more active learning assignments. I will be implementing those in Fall 2019.
